---

PROFESSIONAL SUMMARY

AI-first Digital Marketing Strategist and Automation Specialist with **8+ years** of progressive experience across digital advertising, AI-powered content production, marketing automation, SEO, social media management, eCommerce marketing, and brand strategy. Expert in leveraging **ChatGPT, Claude, Gemini, and advanced prompt engineering** to automate and scale marketing workflows — from AI-generated content, images, and videos to automated campaign optimization and reporting. Proven track record managing **Google Ads, Meta Ads, and Amazon Ads** campaigns with $50K+/month budgets and 4.2x average ROAS. Experienced in building end-to-end automation systems using Make.com, Zapier, n8n, and API integrations. Skilled in LinkedIn ghostwriting, social media content production, product launch campaigns, competitor research, and eCommerce optimization across Shopify, WordPress, and marketplace platforms. Bilingual (English/Persian) with ability to independently manage multiple projects across concurrent brands.

PROFESSIONAL EXPERIENCE

Fractional CMO & AI Marketing Automation Consultant

Jan 2024 – Present

Independent Consulting — Multiple Clients (Startups & SMBs)

Toronto GTA, Ontario, Canada (On-Site & Hybrid)

- Serve as Fractional Chief Marketing Officer for **5+** concurrent clients, providing strategic marketing leadership, brand positioning, and go-to-market planning across diverse industries including SaaS, e-commerce, professional services, and real estate
- Build end-to-end AI-powered automation workflows using **ChatGPT, Claude, Gemini, Make.com, Zapier, and n8n** — automating content generation, lead scoring, CRM updates, email sequences, social media scheduling, and reporting pipelines, reducing manual marketing operations by **60%**
- Design and implement advanced prompt engineering systems and AI agents for content creation, ad copy generation, competitor analysis, customer segmentation, and campaign optimization
- Generate professional AI-powered marketing materials including ad creatives, product images, banners, social media graphics, and video content using AI image/video generation tools, Canva, and Adobe Creative Suite
- Manage and optimize paid media budgets totaling **$50K+/month** across **Google Ads, Meta Ads (Facebook/Instagram), and Amazon Ads** (Sponsored Products, Sponsored Brands), achieving average **4.2x ROAS**
- Write and publish LinkedIn ghostwriting content for company leadership and founders, maintaining active professional presence, engaging with industry professionals, and supporting B2B lead generation
- Create and publish daily social media content across LinkedIn, Facebook, Instagram, and TikTok using AI-generated copy, images, graphics, and short-form videos
- Lead AI-powered product launch campaigns: research competitors, develop product descriptions and specifications, create advertising materials, and execute full launch strategies for eCommerce clients
- Conduct keyword research, optimize product listings, landing pages, and website content for SEO; manage Google Business Profile optimization increasing local search visibility by **150%**
- Build AI-assisted marketing automation workflows for content scheduling, publishing, social media monitoring, customer engagement, and campaign optimization with appropriate review and oversight
- Manage API integrations between marketing platforms, CRMs (HubSpot, GoHighLevel), analytics tools, and automation systems; deliver data-driven reports using Google Analytics and AI-powered analysis

Digital Marketing Manager & Brand Strategist

Mar 2022 – Dec 2023

Creative Digital Agency — Multi-Client Portfolio

North York / Toronto, Ontario, Canada (On-Site & Hybrid)

- Led integrated, multi-channel digital marketing campaigns for **15+** clients across e-commerce, hospitality, real estate, construction, and professional services sectors
- Managed and mentored a cross-functional team of designers, developers, and content creators, coordinating with external agencies and vendors to deliver projects on time and on budget
- Developed SEO strategies (technical SEO, on-page optimization, content planning, link building) resulting in **200%+** average organic traffic growth within 6 months
- Designed and launched **30+** websites and e-commerce stores using **WordPress (Elementor, Divi), Shopify, and Wix Studio**, optimizing for conversion rate, mobile responsiveness, and UX/UI best practices
- Created and managed Google Ads (Search, Display, Shopping, YouTube) and Meta Ads (Facebook, Instagram) campaigns with combined monthly spend of **$30K+**
- Built marketing automation systems using Make.com and Zapier, integrating email marketing (Mailchimp, ActiveCampaign), CRM, and lead capture workflows

- Produced social media content strategies and managed Instagram, Facebook, LinkedIn, TikTok, and YouTube accounts, growing combined follower bases by **300%**
- Delivered monthly performance reports using Google Analytics (GA4), Google Search Console, SEMrush, and custom dashboards, translating data into actionable growth strategies
- Stewarded brand consistency across all marketing materials, ensuring tone, creative quality, and brand standards across touchpoints
- Filmed, edited, and produced video content for social media campaigns including Instagram Reels, TikTok, and YouTube Shorts

Senior Digital Marketing Specialist & Web Designer

Jan 2020 – Feb 2022

Freelance & Contract — Diverse Client Base

Remote — Canada & International

- Provided full-service digital marketing consulting to **20+** SMBs remotely, covering strategy, execution, and performance reporting across all digital channels
- Designed and developed **40+** responsive websites using WordPress, Shopify, and custom solutions, implementing SEO best practices, accessibility standards, and performance optimization
- Managed Google Ads PPC campaigns with monthly budgets of **$5K–$20K**, consistently reducing cost-per-acquisition by **35%** through A/B testing and audience optimization
- Created comprehensive brand identity packages including logos, style guides, marketing collateral, social media templates, and print materials using Adobe Creative Suite, Figma, and Canva
- Developed and executed email marketing campaigns (Mailchimp, HubSpot) with automated nurture sequences, achieving **28%** average open rates and **4.5%** click-through rates
- Built and managed Google Business Profiles for local businesses, implementing Local SEO strategies that drove **3x** increase in Google Maps visibility and local search inquiries
- Managed social media marketing across Instagram, Facebook, LinkedIn, and Pinterest, creating content calendars, scheduling posts, and analyzing engagement metrics using Hootsuite and Buffer
- Provided UI/UX design services, creating wireframes, prototypes, and user flows in Figma for web and mobile applications

Digital Marketing Coordinator & Graphic Designer

Jun 2018 – Dec 2019

Marketing Agency — Small & Medium Business Clients

Remote — Contract & Freelance

- Executed digital marketing campaigns across Google Ads, Facebook Ads, and Instagram Ads for **10+** clients in retail, food & beverage, health, and professional services
- Designed marketing materials including social media graphics, website banners, brochures, flyers, and email templates using Adobe Photoshop, Illustrator, InDesign, and Canva
- Built and maintained WordPress websites, performing regular updates, plugin management, security, and performance optimization
- Conducted keyword research and implemented on-page SEO optimizations, increasing organic traffic by **80%** for key client accounts
- Managed client social media accounts, creating weekly content calendars, copywriting posts, and monitoring community engagement
- Coordinated with photographers and videographers for content production, editing video for social media platforms
- Set up and managed email marketing campaigns using Mailchimp, segmenting audiences and tracking performance metrics

Junior Digital Marketing Specialist & Web Designer

2016 – May 2018

Freelance — Building Portfolio & Client Base

Remote

- Launched freelance digital marketing and web design practice, acquiring first **15+** clients through networking and referrals
- Designed and developed responsive WordPress websites with custom themes, page builders (Elementor, Divi), and e-commerce functionality (WooCommerce)
- Created brand identities including logo design, color systems, typography, and brand guidelines for startups and small businesses
- Managed organic social media marketing on Instagram, Facebook, and LinkedIn, growing client engagement through content strategy and community management
- Implemented basic SEO fundamentals including meta optimization, site speed improvements, and Google Analytics/Search Console setup
